CT850 TREADMILL

Optional Extended Handrails & TV bracket (TV not included)

Designed to withstand the rigors of a commercial fitness environment, the CT850 Treadmill combines convenient features with durable construction to provide an exceptional workout experience. The cool running, brushless 4.0 horsepower AC drive motor with a startup speed of only 0.3 mph adds to the reliability while providing the torque and smooth continuous power required for all types of users. The top control panel boasts a simple and intuitive design with direct speed and incline buttons, multiple storage options for water bottles, phones, and other accessories, as well as a built-in fan that helps keep users cool. The ergonomically positioned hand pulse sensors let users easily monitor vital stats, while a variety of built-in programs allow nearly endless workout customization to suit a wide range of fitness levels.

CT850 TREADMILL

- 4.0 horsepower AC drive motor provides superior torque and reliability
- Bright white multi-window LED console is easy to read and simple to use
- Direct speed and incline buttons make workouts more efficient
