LEG EXTENSION / LEG CURL
VST600-S711

MAKE A STRONG SELECTION

Designed specifically for toning and building major leg muscles, our space-efficient, selectorized leg extension / leg curl dual station is tougher than you can imagine and more comfortable than you'd expect. It's been tested to withstand over a million reps, more than four times the industry standard, and an easily adjustable ergonomic design makes it comfortable for virtually anyone to sit down and start strengthening their legs.
