FEATURES

GO BIG AND GO HOME

Train heavy and smooth with a selectorized Smith bar featuring a built-in weight multiplier that doubles resistance up to 350 lbs.

SAFETY AND SPEED

Centr's patented Smith bar design lets you switch resistance with one quick pin release; get to the next set faster with no more changing, storing, or dropping plates.

SMOOTH, FRICTIONLESS PERFORMANCE

Premium, pulley and cable system ensures a consistent feel on every rep with high-grade components.

FULL-BODY FUNCTION

Adjustable wide pulleys with 30 height positions, 2 low pulleys, 2 upper pulleys and a Smith bar offer everything from squats to presses.

COMPACT DESIGN

Maximum training potential in a minimal footprint.

COMMERCIAL BUILD, HOME READY

Heavy-duty steel frame, high-grade cables, and premium finish are built for lifters who expect commercial-grade performance and the versatility of a full gym, at home.
